Solar Water Heater/Heat Pump

Important information

The address of the installation must be sufficient to allow an officer of the Clean Energy Regulator to visit the installation without requesting additional information. The Clean Energy Regulator requires the following information as part of the installation address: If a street number is not available for the location, the Clean Energy Regulator may accept one of the following groups of information: Lot number; Property name, distance, and direction from the nearest town/intersection/landmark also included in the address; Latitude and longitude; or Roadside Mail Box (RMB) number or Roadside Delivery (RSD) number. If none of the information above is available, please contact the RET division of the Clean Energy Regulator for further advice.

DECLARATION BY OWNER:

I hereby declare that;

- > The information provided on this form is true and correct.
- > I am the legal owner of the Solar Water Heater (SWH) as described in this form.
- > I understand that by signing this form I am assigning the right to create certificates to Ecovantage Pty Ltd only and therefore cannot assign or sell the right to these certificates to any other entity.
- > I have not previously assigned or created STCs for this system.
- > I understand that the system installed may be inspected by either Ecovantage Pty Ltd or the Clean Energy Regulator within 5 years of the date of assignment.
- > I agree to repay Ecovantage Pty Ltd or the installer/supplier all received funds for these certificates if the assignment is found to be invalid or the certificates cannot be created or registered.
- > The SWH/Heat Pump unit is capable of delivering heated water on this date and therefore is fully installed.
- > I confirm that all of the components for the installed system are new.
- > I am aware that penalties can be applied for providing misleading information in this form under the Renewable Energy (Electricity) Act 2000.
- > I authorise Ecovantage Pty Ltd to amend any errors on this form.
- > I understand that this system is eligible for STC's and in exchange for assigning my right to create these STCs Ecovantage Pty Ltd will pay the above nominated person/company \$.
